

Our Services

1 Learning Support

- Japanese & Care Japanese
- National Exam Preparation
- Original Textbooks for Care Settings

2 Reception Consulting

We provide comprehensive consulting on systems for foreign care workers, building reception frameworks, and strategies for long-term retention.

3 SSW Visa Support Services

Compliant with all 10 mandatory support items designated by the Immigration Services Agency of Japan

From Prometric test preparation required for Specified Skilled Worker (i) visa to post-employment Japanese support and national exam courses — we tailor learning to each individual.

Our organization actively operates as a registered support organization specializing in Filipino specified skilled workers. We develop highly skilled Filipino care workers through a specialized curriculum tailored to Japanese care settings, and offer quality personnel placement along with full administrative support.

Supporting learners, empowering caregivers.
